

PRE-FORESTRY CURRICULUM

Students who earn a grade of at least "C" in the following courses will be eligible for admission to the forestry program at the University of Kentucky without loss of credits. Students who plan to transfer to a forestry program other than that at the University of Kentucky should contact the university they plan to attend for information regarding their requirements and also consult with the pre-forestry advisor in the Agriculture Department at WKU before registering.

<u>First Semester</u>	<u>Semester Hours</u>
ENG 100 Freshman English	3
CHEM 105/106 General Chemistry I/Laboratory or	4
CHEM 120/121 College Chemistry I/Laboratory	4
AGRO 110 Introduction to Plant Science	3
MATH 116* College Algebra	3
COMM 145 Fundamentals of Public Speaking	<u>3</u>
	16
 <u>Second Semester</u>	
ENG 300 Junior English	3
BIOL 120/121 Cells, Metabolism, and Genetics	4
CHEM 107/108 General Chemistry II/Laboratory or	4
CHEM 222/223 College Chemistry II/Laboratory	5
AGRO 350 Soils	3
SFTY 171 Safety and First Aid	<u>1</u>
	15-16
 <u>Third Semester</u>	
BIOL 222/223 Botany	4
AGEC 360 Ag Economics	3
MATH 119* Calculus	3
AGRO 291 Statistics	3
CE 160/161 Surveying/Laboratory	<u>4</u>
	17
 <u>Fourth Semester</u>	
MATH 117 Trigonometry	3
BIOL 348 Plant Taxonomy	4
PHYS 101 Concepts of Motion	3
SPAN 101 Introduction to Spanish	3
GEO 210 Human Ecology	<u>3</u>
	16

*The calculus requirement for the B.S. in forestry at the University of Kentucky will be met by MATH 119. Students who do not have the necessary prerequisites should take MATH 116, but will have to take either MATH 119 at WKU or the required calculus at UK later.
