| | | | | | |
| Total Hours | | | | | |

In a statement of 250-300 words, please explain how the proposed HSDS major helps you achieve your personal and professional goals in ways a traditional major cannot.

List three main learning outcomes you will achieve through your HSDS major. These should focus on what the program of study will help you learn and understand, and how these outcomes are preparing you for the next stage of your academic, professional and intellectual journey.

- 1.
- 2.
- 3.

I understand that as a requirement of graduating with this major I must 1) fulfill all of the requirements of the MHC and 2) complete a CE/T. _____ (initial)

Student

I have carefully read the Honors Self-Designed Studies (HSDS) directions, have consulted with a faculty advisor with a background and expertise in my proposed program of study, and have met with my MHC advisor. I have carefully considered the advantages and disadvantages of creating an HSDS major and believe it to be the best option to reach my academic and professional goals.
