¹ The table provides total course enrollments at the regional campuses and is not reflective of headcount. This figure includes the three regional campuses—Glasgow, E-town/Radcliff/Ft. Knox, and Owensboro—as well as distance education courses taken by students living in the regional campus service areas.

² Excludes two undergraduate students who did not report age.

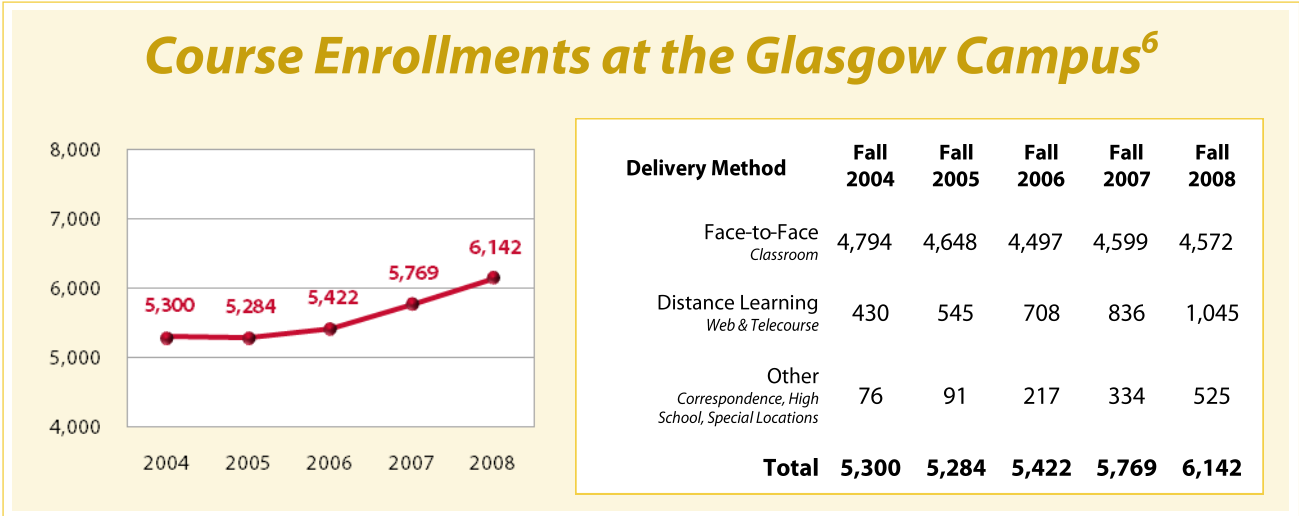

³ Undergraduates under the age of 25 are considered traditional students.

⁴ Undergraduates 25 and older are considered non-traditional students.

⁵ Headcount is not the sum of the regional campuses because students may take courses at multiple regional campuses. Additionally, due to the possibility of duplication with the main campus and community college, regional campus headcount cannot be compared with university student enrollment.

Associate & Baccalaureate Retention Rates¹

Fall 2004 - Fall 2008

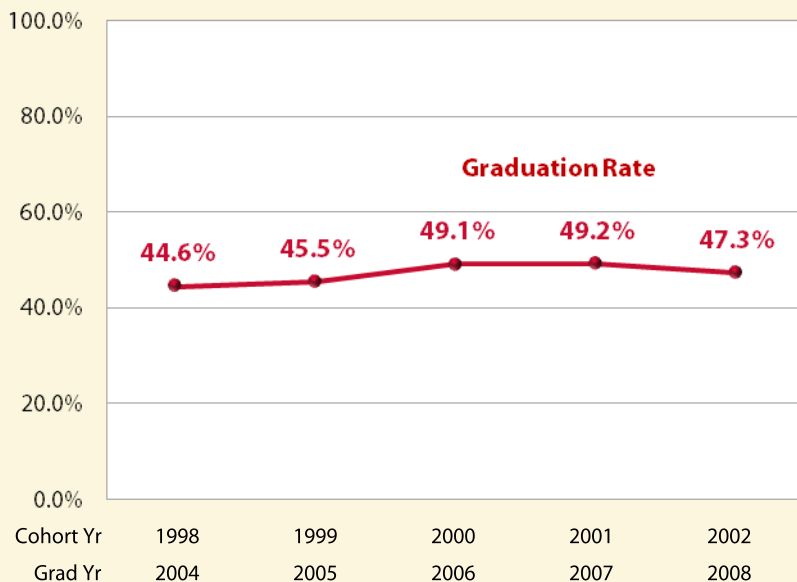

Almost 72% of full-time, baccalaureate degree-seeking students who entered WKU as first-time first-year students in Fall of 2007 re-enrolled at WKU during the Fall 2008 term.

¹The retention rate includes full-time degree-seeking students who entered WKU as first-time first-year students and returned to WKU the following year. This is **not** the same retention rate as calculated by the CPE. The Council uses a system-wide retention method, crediting WKU for students returning for study at **any** Kentucky institution the following fall. Additionally, they include part-time students and do not report associate and baccalaureate degree-seekers separately.

Six-Year Baccalaureate Graduation Rate²

Fall 2004 - Fall 2008

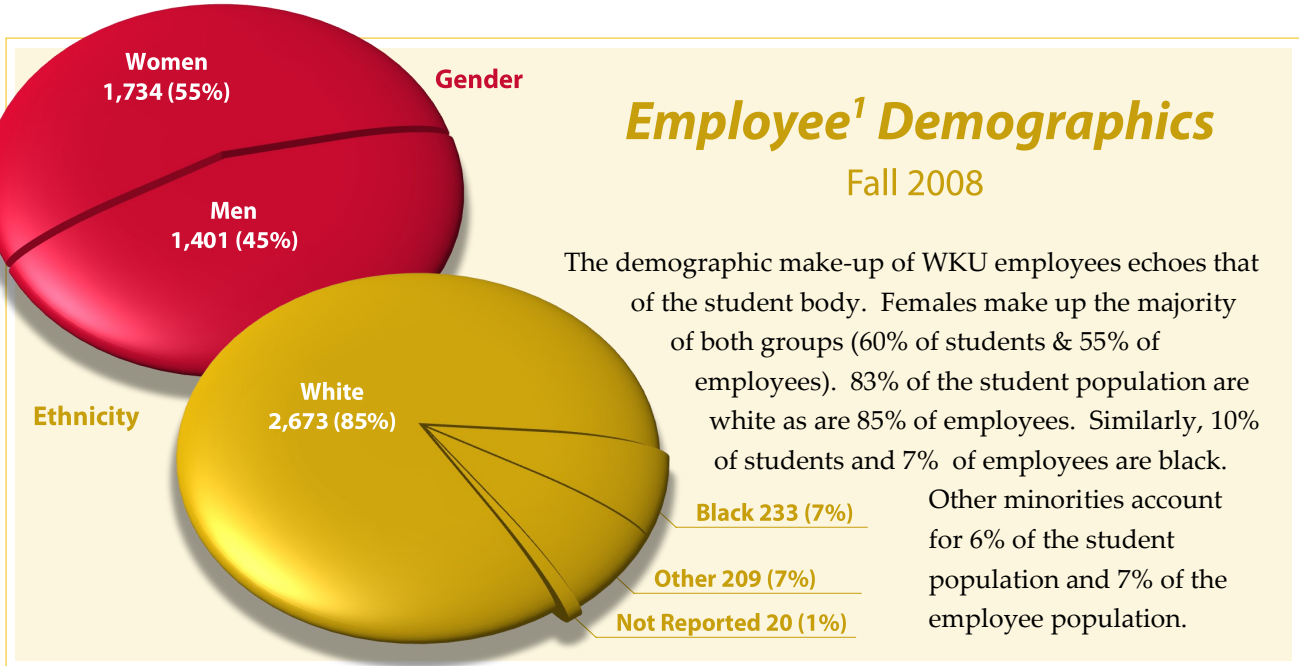

WKU's six-year graduation rate² has increased by almost three percentage points over five years. The five year high was in 2007 with a graduation rate of 49.2%.

²Six-year graduation rate is calculated by determining the number of first-time full-time baccalaureate degree-seeking students entering during a specified cohort year who graduated within six years of that entrance date. Individuals in the cohort who passed away or who left college due to military service are excluded from the cohort.

- 1 Duplicated enrollments include all credential-seeking students—certificate, associate, baccalaureate, masters, specialist, and doctoral—and counts multiple majors. Fall statistics are reported.
- 2 Duplicated credentials include certificate, associate, baccalaureate, masters, specialist, and doctoral credentials awarded and counts multiple majors. The academic year reported includes the summer, fall, and spring. For example, the 2007/08 academic year would include degrees awarded in summer 2007, fall 2007, and spring 2008.
- 3 International Studies are part of Potter College of Arts and Letters but are not reflected in departmental pages. International Studies include certificates in Middle Eastern and Canadian Studies.

- 5 Includes only verbal and quantitative scores.
- 6 Data reflect individual student enrollment. Students who have more than one major in the college are counted only once.
- 7 Data reflect individual student enrollment. Students who have more than one major in a department are counted only once.
