CONSOLIDATION OF THREE OGDEN COLLEGE OF SCIENCE AND ENGINEERING ACADEMIC UNITS

REQUEST:

Approval to consolidate the Departments of Engineering, Architectural and Manufacturing Sciences, and Computer Science into the School of Engineering and Applied Sciences

FACTS:

- The Departments of Engineering, Architectural and Manufacturing Sciences, and Computer Science have workforce development components that serve South-Central Kentucky. These departments have significant potential to partner with regional industry and develop partnerships that support academics through work on joint projects to solve real world problems.
- Each of these departments functions best with strong advisory boards. These boards provide access to resources that can strengthen academic programs. In addition, each of these departments has programs that can be accredited by the same professional accrediting agency (ABET).
- This proposal aligns closely related programs that share the same fundamental mission of preparing students for the workforce. This is in keeping with the Kentucky Workforce Readiness initiatives.
- Departmental lines will be removed to allow the formation of programmatic and research synergies in an effort to develop new programs to serve the region (ie. computer engineering and industrial engineering). This will also allow us to provide the administrative infrastructure necessary to support growth and development.
- Sharing of resources (including faculty), space, administration, instrumentation, and computer labs will reduce redundancy, improve efficiency, and better serve student needs.
- The *School of Engineering and Applied Sciences* designation is a professional trend also used by many other high quality universities (University of Virginia, University of Buffalo, Washington University, UCLA, Columbia, Princeton, Harvard, and University of Pennsylvania). Similar program location information for WKU Benchmarks and Kentucky Universities can be found in the Appendix.
- Nearly half of the majors in Ogden College of Science and Engineering would be enrolled in the School.

ACCOUNTANTS' REPORT ON APPLICATION OF AGREED-UPON PROCEDURES, NCAA COMPLIANCE REPORT

REQUEST:

Acceptance of the Accountants' Report on Application of Agreed-Upon Procedures, NCAA Compliance Report for the year ended June 30, 2016.

FACTS:

Each year, Western Kentucky University contracts with our external auditing firm to issue a report on agreed-upon procedures to assist the University with respect to complying with the NCAA Bylaw 3.2.4.16. The agreed-upon procedures were completed by Crowe Horwath, LLP for the fiscal year ended June 30, 2016 in accordance with attestation standards established by the American Institute of Certified Public Accountants. The Schedule of Revenues and Expenses of intercollegiate athletics operations was prepared by staff in the Office of Athletics Business Affairs who are responsible for compliance with the NCAA Bylaw 3.2.4.16. Crowe Horwath, LLP reviewed revenues and expenditures for the Athletics Department, reviewed the internal control structure of, and performed other accounting tests on the financial records of the area. A listing of procedures performed, along with associated findings, is included in Attachment A of the report.

Crowe Horwath, LLP's review does not constitute an audit and, therefore, does not contain an opinion on compliance with the NCAA Bylaw 3.2.4.16. It provides information intended for use by the Board of Regents, management of Western Kentucky University, and any authorized representative of the National Collegiate Athletic Association solely for reporting with respect to procedures described within the report.

BUDGETARY IMPLICATIONS:

N/A

RECOMMENDATION:

President Gary A. Ransdell recommends that the Board of Regents accept the "Report of Independent Accountants on Applying Agreed-Upon Procedures" as required by the NCAA Bylaw 3.2.4.16 for the year ended June 30, 2016.

MOTION:

Accept the Report of Independent Accountants on Applying Agreed-Upon Procedures for NCAA Compliance for the year ended June 30, 2016.

**AUDITOR'S REPORTS AND FINANCIAL STATEMENTS FOR
WKYU-TV AND WKYU-FM RADIO**

REQUEST:

Acceptance of the separate Auditor's Reports and Financial Statements, WKYU-TV and WKYU-FM Radio for the year ended June 30, 2016.

FACTS:

Western Kentucky University contracts with an external auditing firm to perform audits of the financial statements of WKYU-TV and WKYU-FM Radio. The audit of WKYU-TV for the fiscal year ended June 30, 2016 was completed by Crowe Horwath, LLP and their report is dated January 13, 2017. The audit of WKYU-FM for the fiscal year ended June 30, 2016 was completed by Crowe Horwath, LLP and their report is dated January 13, 2017. These separate audits are required under the contractual funding arrangements of Western Kentucky University with the Corporation for Public Broadcasting.

The financial statements present fairly, in all material respects, the financial position as of June 30, 2016, and the changes in financial position and cash flows thereof for the year then ended, in accordance with generally accepted accounting principles. Each of the financial statements received an unqualified opinion.

BUDGETARY IMPLICATIONS:

N/A

RECOMMENDATION:

President Gary A. Ransdell recommends that the Board of Regents accept the separate Auditor's Reports and Financial Statements for WKYU-TV and for WKYU-FM Radio for the year ended June 30, 2016.

MOTION:

Accept the separate Auditor's Reports and Financial Statements for WKYU-TV and for WKYU-FM Radio for the year ended June 30, 2016.

**2016-17 SECOND QUARTER STATEMENT OF
REVENUES & EXPENDITURES**

REQUEST:

Accept for filing the 2016-17 Second Quarter Statement of Revenues & Expenditures.

FACTS:

Total realized Educational and General (E&G) revenue (excluding net assets allocation), as a percentage of the budget, was approximately 77 percent and comparable to the second quarter revenue of 2015-16. Actual tuition and fees compared to same time last year have increased approximately 2 percent in comparison to an increase of 5 percent in comparable budgets. State appropriations are distributed on a quarterly basis, but the distribution for each quarter does not represent 25 percent of the total due to the state's variable allocation schedule. Other revenue includes revenue generated by individual programs such as Athletics, University Farm, and various revenue dependent programs. These programs are bringing in 13 percent more revenue in comparison to same time last year. The amount of revenue and the timing of receipt may vary, but program administrators know they must manage expenditures to not exceed receipts. It is noted that several programs have significant activity in spring and summer.

Restricted revenues and expenditures for grants and contracts were matching activity in comparison to second quarter of 2015-16. Revenues and expenditures for Auxiliary Enterprises were in line with second quarter revenues and expenditures of 2015-16.

BUDGETARY IMPLICATIONS:

It is anticipated that fall and spring tuition revenue will fall short of the budget estimate. It will be necessary to reallocate funds to cover any shortfall in revenue.

RECOMMENDATION:

President Gary A. Ransdell recommends that the Board of Regents accept for filing the 2016-17 Second Quarter Statement of Revenues and Expenditures.

MOTION:

Accept for filing the 2016-17 Second Quarter Statement of Revenues and Expenditures.

Explanation for Salary Increases Greater Than \$5,000

Jeffrey Alan Smith	Per Mindy K. Hutchins, Compensation Analyst, the department identified that Jeffrey Smith was underpaid from a market equity perspective. After review, the suggested increase is supported because his comparatio was .89, which is lower than expected for someone with 7 years' experience in the same position.
David Consiglio	Employee's salary will increase from \$35,724 to \$42,060 effective 2/1/17. Employee is receiving a salary increase to get him more in alignment with what other strength staff make within Conference USA. Due to a switch in football staff, salary funds have been moved around within staff. No new funds are being used.

FY 2017 BUDGET REALLOCATION PLAN

REQUEST:

Approve the FY 2017 budget reallocation plan.

FACTS:

The FY 2017 budget reallocation plan addresses a projected shortfall in tuition revenue of \$6.5 million, or 4 percent of the estimated revenue. Significant contributors to the loss of revenue are declining international student enrollments and non-traditional students (age 25+) who primarily enroll as part-time students.

At the Board of Regents' January 27, 2017 meeting, the Board approved budget revisions including expenditure authority for \$16,359,304 in carry forward funds. However, Administrative Council was briefed that tuition revenue was likely to fall below budget. All efforts have been made to reduce or postpone allocating carry forward for departmental expenses so that these funds can be redirected as part of the budget reallocation plan.

The following FY 2017 budget reallocation plan is based on currently available data. Minor revisions may need to be made at the end of the fiscal year to achieve a balanced budget.

Estimated fall and spring tuition shortfall	\$6,500,000
<u>Reallocation Sources</u>	
One-time reserves for DELO and Health Services	1,714,000
Reallocations of projected surplus in scholarships, mandated waivers, fellowships, bonds refinanced, and other budgeted central sources	767,000
Divisions' carry forward	4,019,000
Total	\$6,500,000

BUDGETARY IMPLICATIONS:

There should be no negative impact on eliminating the one-time reserves for DELO or Health Services. The DELO Reserve is one of two operating reserves, one budgeted and one not budgeted. Given the successful privatization of the on-campus primary care clinic, there is no need for the University to reserve a balance for returning to a self-operated clinic.

Carry forward is an important source of one-time funds across the campus. Reducing these allocations may reduce computer and equipment purchases, professional development and capital renewal projects.

RECOMMENDATION:

President Gary A. Ransdell recommends that the Board of Regents approve the FY 2017 budget reallocation plan.

MOTION:

Approve the FY 2017 budget reallocation plan.

QUARTERLY INTERNAL AUDIT REPORT

The Western Kentucky University Office of Internal Audit is responsible for periodically reporting to the Finance & Budget Committee on the internal audit's performance relative to its audit plan. For the quarterly meeting on March 24, 2017, the Office of Internal Audit is reporting on the status of the following projects:

- **Bad Debt Expense Audit: Third Party Receivables:** Internal Audit performed an audit of the bad debt expense calculation related to the University's third party receivables account. The project resulted in fourteen observations and recommendations. Priority levels per recommendation were as follows: high (6), medium (2) and low (6). *As of 3/10/2017 the draft report was under administrative review.*

In Progress as of 3/24/2017:

- Broadcast Facilities Safety & Security Review
- Bad Debt Expense: Student Receivables Audit

Upcoming for next quarter as of 3/24/2017:

- Study Abroad / Study Away Safety Audit

2017-18 TUITION AND MANDATORY STUDENT FEES SCHEDULE

REQUEST:

Approve the 2017-18 Tuition and Mandatory Student Fees Schedule.

FACTS:

The Council on Postsecondary Education (Council) has statutory authority to approve institutions' tuition and mandatory fees (in total). On March 31, 2017, the Council approved the resident undergraduate tuition and mandatory student fees ceilings at Kentucky's public colleges and universities. The universities and KCTCS are to submit their respective tuition and mandatory student fees schedules for approval by the Council at its June 16, 2017 meeting.

The agenda item stated:

The Council staff used a collaborative process to develop its 2017-18 tuition and mandatory fee ceiling recommendation, which included sharing information and engaging in discussions with campus presidents and chief budget officers, Council members, student groups, and the Governor's office. Based on feedback from multiple stakeholders there is a general sentiment that increases in resident undergraduate tuition and fees should be moderate in academic year 2017-18 to support a necessary balance between the ability of students and families to pay for college and resources required for postsecondary institutions to address inflationary cost increases, manage growth in employer paid retirement contributions, and support continuing progress toward attainment of HB1 and Strategic Agenda goals and objectives.

The Council-approved resident undergraduate tuition and mandatory fee ceilings for 2017-18 that equate to maximum base rate increases of no more than 3.0 percent at Western Kentucky University, no more than 4.0 percent at the University of Kentucky and Northern Kentucky University, and no more than 5.0 percent at Eastern Kentucky University, Kentucky State University, Morehead State University, and Murray State University. The ceilings reflect the Council's intent to close the gap in rates among the comprehensive universities. Also approved was a tuition and fee ceiling for resident students attending KCTCS institutions that equates to a maximum base rate increase of no more than \$6.⁰⁰ per credit hour (i.e., a 3.9% increase). Lastly, based on the Council's actions, the public institutions be allowed to submit for Council review and approval market competitive tuition and fee rates for graduate and online courses.

The 2017-18 Tuition and Mandatory Fees Schedule is consistent with the Council's recommendations for Western Kentucky University. Rates for graduate and doctoral programs have been recommended by Provost David Lee in consultation with the respective deans.

BUDGETARY IMPLICATIONS:

The revenue generated by the proposed tuition rate increases are needed to address projected fixed costs increases, selected strategic priorities, and operating costs of the doctoral programs. Project revenue will be allocated in the FY 2018 budget.

RECOMMENDATION:

President Gary A. Ransdell recommends approval of the 2017-18 Tuition and Mandatory Student Fees Schedule.

MOTION:

Approve the 2017-18 Tuition and Mandatory Student Fees Schedule.

APPROVAL OF STUDENT RESIDENCY POLICY

REQUEST:

In accordance with the requirements of 13 KAR 2:045 Section 13 (4) (a), the President requests the approval of Policy 0.1030 Student Residency.

FACTS:

Kentucky administrative regulation 13 KAR 2:045 establishes the procedure and guidelines for determining the residency status of a student who is seeking admission to, or who is enrolled at, a state-supported postsecondary education institution. At Western Kentucky University, residency determinations are made based on information submitted by the applicant. In general, in-state residence for tuition purposes requires the applicant establish domicile and legal residency in Kentucky prior to enrollment. Applicants can view their residency determination on Topnet upon acceptance to the University.

While both undergraduate and graduate admissions staff adhere to the guidelines outlined in 13 KAR 2:045, the processes and procedures have not been formally outlined in university policy. In this regard, the following proposed policy is recommended:

I. Purpose and Scope

NECESSITY, FUNCTION, AND CONFORMITY: KRS 164.020(8) requires the Council on Postsecondary Education to determine tuition and approve the minimum qualifications for admission to a state postsecondary education institution and authorizes the Council to set different tuition amounts for residents of Kentucky and for nonresidents. Kentucky administrative regulation 13 KAR 2:045 establishes the procedure and guidelines for determining the residency status of a student who is seeking admission to, or who is enrolled at, a state-supported postsecondary education institution. This policy establishes the procedures and responsibilities of WKU to ensure compliance with this regulation.

II. Policy

- A. **Definitions** – summary definition from 13 KAR 2:045 are provided with references to the regulation section(s) that explains that term in more detail. The Kentucky regulation includes additional definitions as noted in Appendix A.
1. **Residence** means the place of abode of a person and the place where the person is physically present most of the time for a non-educational purpose in accordance with Section 3 of 13 KAR 2:045
 2. **Nonresident** means a person who: (a) Is domiciled outside Kentucky; (b) Currently maintains legal residence outside Kentucky; or (c) Is not a Kentucky resident as determined by 13 KAR 2:045 (Section 4).

3. **Kentucky Resident** means a person determined by an institution for tuition purposes to be domiciled in, and a resident of, Kentucky as determined by this administrative regulation.
4. **Domicile** means a person's true, fixed, and permanent home and is the place where the person intends to remain indefinitely, and to which the person expects to return if absent without intending to establish a new domicile elsewhere.
5. **Dependent Person** means a person who cannot demonstrate financial independence from parents or persons other than a spouse and who does not meet the criteria for independence established in Section 5 and 6 of 13 KAR 2:045.
6. **Independent Person** means a person who demonstrates financial independence from parents or persons other than a spouse and who meets the criteria for independence established in Section 5 of 13 KAR 2:045.
7. **Parent** means one (1) of the following:
 - (a) A person's father or mother; **or**
 - (b) A court-appointed legal guardian if:
 1. The guardianship is recognized by an appropriate court within the United States;
 2. There was a relinquishment of the rights of the parents; and
 3. The guardianship was not established primarily to confer Kentucky residency on the person.

B. Scope

Unless otherwise indicated, regulation 13 KAR 2:045 shall apply to all student residency determinations, regardless of circumstances.

C. Determination of Residency

An initial determination of residency shall be made at the time of admission, based on the facts in existence, information derived from the admission materials, and documents provided. All residency decisions are governed by the Kentucky Administrative Regulation 13 KAR 2:045. A student classified as a nonresident shall retain that status until the student is officially reclassified by WKU. A student may apply for an appeal of a determination (reclassification) of residency status by filing an affidavit and documentation. More detail on the appeal process is found in Section III of this policy.

If WKU or CPE has information that a student's residency status may be incorrect, the institution shall review and determine the student's correct residency status.

Residency reclassifications cannot be applied retroactively (i.e., semester(s) prior to the appeal). The student is responsible for non-resident tuition, and will be reimbursed if the appeal is successful.

III. Procedure

A. Initial Determination of Residency Status

The initial determination of residency status is made during the admission process, based on KY regulation 13 KAR 2:045, by one of the following offices based on the student type:

1. Undergraduate Students
 - i. Domestic out-of-state: Office of Admissions
 - ii. International: International Admissions
2. Graduate Students: The Graduate School

If a decision cannot be made based on the answer to the admission application questions, the student will be requested to complete the affidavit.

B. Appeal of Residency Determination

A student may appeal the initial residency determination once the initial classification has been completed and a decision rendered. The student must request an appeal in writing with the office that initially made the residency classification. This request must be made in affidavit form, unless the affidavit was utilized earlier in the residency determination process, including all supporting documentation and submitted no later than 14 calendar days after the first day of classes for fall/spring terms, and 10 days after the first day of classes for winter/summer terms. Once the appropriate office has received the appeal request, that office's internal appeals committee will review the appeal and supporting documentation, and will render a decision within 10 business days. If an appeal results in a change of classification, the change will not be effective earlier than the semester during which the appeal is filed. If a student is initially classified non-resident but does not enroll the semester for which the student originally applied, the residency classification will be reassessed for subsequent semesters.

A student classified as a non-resident will retain that status until a change is brought about by successful appeal. The student is responsible for non-resident tuition, and will be reimbursed if the appeal is successful. A student may appeal only once during an academic term.

It is the appealing student's responsibility to provide sufficient documentation to clarify circumstances related to the appeal. In all cases, circumstances related to establishing domicile must be verifiable. Because of the variety of factors related to establishing residency for tuition purposes, the number of documents required to complete an appeal may vary from case to case. Therefore, WKU has the right to request additional documentation and require certification of authenticity of documents in all cases.

C. University Residency Review Committee

If the decision of the appeal committee is adverse to the applicant, the applicant may appeal to the WKU Residency Review Committee. It is the student's responsibility to notify the Residency Appeal Officer in writing, if he or she wishes his/her case to be reviewed by the

Resident Review Committee, within fourteen (14) calendar days after notification from the reclassification committee decision.

The Residency Review Committee is appointed by the Residency Appeal Officer (Provost or designee) and shall be composed of the Residency Appeal Officer, five faculty and/or staff members and one student. The committee shall have authority to establish procedural rules and schedule meetings. A simple majority of members shall be considered a quorum, and shall be necessary for committee action. The committee will consider appeals from the applicant and shall notify them in writing, within thirty (30) calendar days after receipt of the student appeal, of the committee decision.

D. Formal Institutional Hearing

If the decision of the WKU Residency Review committee is adverse to the applicant, the student may request a formal hearing by submitting a written request to the President within fourteen (14) calendar days after receipt of notification of the residency review committee.

The President (or designee) shall appoint a hearing officer to conduct the hearing. The Hearing Officer shall not be a person involved in determination of residency at WKU, or involved in either the appeal or residency review committees. The Hearing Officer should also not be an employee in the same organizational unit as the residency appeals officer.

The Hearing Officer shall appoint a committee to review the appeal. The formal hearing shall provide for due process, including notice of hearing, examination of the information on which WKU decision is based, and the right for an applicant to be represented by legal counsel and the present information and testimony in support of a claim of Kentucky residency. Hearing procedure will be consistent with 13 KAR 2:045. The parliamentary procedure, Robert's Rules of Order, shall govern the formal hearing.

The Hearing Officer shall make a report with finding of facts and a recommendation to the President (or designee) with a copy of the application. The President (or designee) will render a final decision and notify the applicant in writing within thirty (30) calendar days of receipt of the hearing officer's report.

All official documents and materials relating to a student's appeal of residency shall be returned to the Associate Vice President for Enrollment Management (Undergraduate student) or Dean of Graduate School (Graduate student) to be placed with the application for admissions at whatever point in the process the appeals procedure is terminated.

The substantial commitment of public resources to postsecondary education is predicated on the proposition that the state benefits significantly from the existence of an educated citizenry. As a matter of policy, access to postsecondary education shall be provided so far as feasible at reasonable cost to a qualified individual who is domiciled in Kentucky and who is a resident of Kentucky.

(2) In accordance with the duties established in KRS 164.020, the Council on Postsecondary Education may require a student who is neither domiciled in, nor a resident of, Kentucky to meet higher admission standards and to pay a higher level of tuition than resident students.

 - (c) A formal hearing conducted by an institution upon request of a student after other administrative procedures have been completed.
- (2) An initial determination of residency status shall be based upon:
- (a) The facts in existence when the credentials established by an institution for admission for a specific academic term have been received and during the period of review by the institution;
 - (b) Information derived from admissions materials;
 - (c) If applicable, other materials required by an institution and consistent with this administrative regulation; and
 - (d) Other information available to the institution from any source.
- (3) An individual seeking a determination of Kentucky residency status shall demonstrate that status by a preponderance of the evidence.
- (4) A determination of residency status shall be based upon verifiable circumstances or actions.
- (5) Evidence and information cited as the basis for Kentucky domicile and residency shall accompany the application for a determination of residency status.

- (7) A student may apply for a review of a determination of residency status once for each academic term.
- (8) If an institution has information that a student's residency status may be incorrect, the institution shall review and determine the student's correct residency status.
- (9) If the Council on Postsecondary Education has information that an institution's determination of residency status for a student may be incorrect, it may require the institution to review the circumstances and report the results of that review.
- (10) An institution shall impose a penalty or sanction against a student who gives incorrect or misleading information to an institutional official, including payment of nonresident tuition for each

academic term for which resident tuition was assessed based on an improper determination of residency status. The penalty or sanction may also include:

- (a) Student discipline by the institution through a policy written and disseminated to students; or
- (b) Criminal prosecution.

Section 4. Presumptions Regarding Residency Status. (1) In making a determination of residency status, it shall be presumed that a person is a nonresident if:

(a) A person is, or seeks to be, an undergraduate student and admissions records show the student to be a graduate of an out-of-state high school within five (5) years prior to a request for a determination of residency status;

(b) A person's admissions records indicate the student's residence to be outside of Kentucky when the student applied for admission;

(c) A person moves to Kentucky primarily for the purpose of enrollment in an institution;

(d) A person moves to Kentucky and within twelve (12) months enrolls at an institution more than half time;

(e) A person has a continuous absence of one (1) year from Kentucky; or

(f) A person attended an out-of-state higher education institution during the past academic year and paid in-state tuition at that institution.

(2) A presumption arising from subsection (1) of this section shall only be overcome by preponderance of evidence sufficient to demonstrate that a person is domiciled in and is a resident of Kentucky.

Section 5. Determination of Whether a Student is Dependent or Independent. (1) In a determination of residency status, an institution shall first determine whether a student is dependent or independent. This provision shall be predicated on the assumption that a dependent person lacks the financial ability to live independently of the person upon whom the student is dependent, and therefore, lacks the ability to form the requisite intent to establish domicile. A determination that a student is independent shall be one (1) step in the overall determination of whether a student is or is not a resident of Kentucky.

(2) In determining the dependent or independent status of a person, the following information shall be considered, as well as other relevant information available when the determination is made:

(a)1. Whether the person has been claimed as a dependent on the federal or state tax returns of a parent or other person for the year preceding the date of application for a determination of residency status; or

2. Whether the person is no longer claimed by a parent or other person as a dependent or as an exemption for federal and state tax purposes; and

(b) Whether the person has financial earnings and resources independent of a person other than an independent spouse necessary to provide for the person's own sustenance.

(3) An individual who enrolls at an institution immediately following graduation from high school and remains enrolled shall be presumed to be a dependent person unless the contrary is evident from the information submitted.

(4) Domicile may be inferred from the student's permanent address, parent's mailing address, or location of high school of graduation.

(5) Marriage to an independent person domiciled in and who is a resident of Kentucky shall be a factor considered by an institution in determining whether a student is dependent or independent.

(6) Financial assistance from, or a loan made by, a parent or family member other than an independent spouse, if used for sustenance of the student:

(a) Shall not be considered in establishing a student as independent; and

(b) Shall be a factor in establishing that a student is dependent.

Section 6. Effect of a Determination of Dependent Status on a Determination of Residency Status. (1) The effect of a determination that a person is dependent shall be:

(a) The domicile and residency of a dependent person shall be the same as either parent. The domicile and residency of the parent shall be determined in the same manner as the domicile and residency of an independent person; and

(b) The domicile and residency of a dependent person whose parents are divorced, separated, or otherwise living apart shall be Kentucky if either parent is domiciled in and is a resident of Kentucky, regardless of which parent has legal custody or is entitled to claim that person as a dependent pursuant to federal or Kentucky income tax provisions.

(2) If the parent or parents of a dependent person are Kentucky residents and are domiciled in Kentucky, but subsequently move from the state:

(a) The dependent person shall be considered a resident of Kentucky while in continuous enrollment at the degree level in which currently enrolled; and

(b) The dependent person's residency status shall be reassessed if continuous enrollment is broken or the current degree level is completed.

Section 7. Member or Former Member of Armed Forces of the United States, Spouse and Dependents; Effect on a Determination of Residency Status. (1) A member, spouse, or dependent of a member whose domicile and residency was Kentucky when inducted into the Armed Forces of the United States, and who maintains Kentucky as home of record and permanent address, shall be entitled to Kentucky residency status:

(a) During the member's time of active service; or

(b) If the member returns to this state within six (6) months of the date of the member's discharge from active duty.

(2)(a) A member of the armed services on active duty for more than thirty (30) days and who has a permanent duty station in Kentucky shall be classified as a Kentucky resident and shall be entitled to in-state tuition, as shall the spouse or a dependent child of the member.

(b) A member, spouse, or dependent of a member shall not lose Kentucky residency status if the member is transferred on military orders while the member, spouse, or dependent requesting the status is in continuous enrollment at the degree level in which currently enrolled.

(3) Membership in the National Guard or civilian employment at a military base alone shall not qualify a person for Kentucky residency status under the provisions of subsections (1) and (2) of this

section. If a member of the Kentucky National Guard is on active duty status for a period of not less than thirty (30) days, the member shall be considered a Kentucky resident, as shall the spouse or a dependent child of the member.

**ACCEPTANCE OF THE UNIVERSITY
2018-2024 SIX-YEAR CAPITAL PLAN**

REQUEST:

Acceptance of the University 2018-2024 Six-Year Capital Plan.

FACTS:

Western Kentucky University's 2018-2024 Six Year Capital Plan was submitted to the Capital Planning Advisory Board (CPAB) and the Council on Postsecondary Education (CPE) on April 15, 2017.

The CPAB is comprised of members representing all three branches of government and has a responsibility under KRS Chapter 7A to biennially develop a comprehensive state capital improvements plan and to make funding recommendations to each branch head as to state spending for capital projects. Additionally, CPE will review these capital spending requests and will make recommendations for Postsecondary Education to the Governor and General Assembly for the 2018-2024 biennial budget.

In the process of developing the Six-Year Capital Plan, we incorporated the priorities contained in our 2010-2022 Master Plan, solicited input from units across the campus and integrated our priorities with the capital priorities for higher education as outlined by CPE. This plan places a focus on restoring the architectural integrity of our campus and emphasizes capital renewal, renovation of existing facilities and upgrading our campus infrastructure. We believe that the top priority projects are reflective of the priorities for WKU and consistent with the direction of postsecondary education in Kentucky.

RECOMMENDATION:

President Gary A. Ransdell recommends that the Board of Regents approve the Six-Year Capital Plan.

MOTION:

To approve the 2018-2024 Six-Year Capital Plan for Western Kentucky University.
