### TOOLS FOR ONLINE LEARNERS

## STUDENT RESOURCE HIGHLIGHT:

### OWL- Online Writing Lab

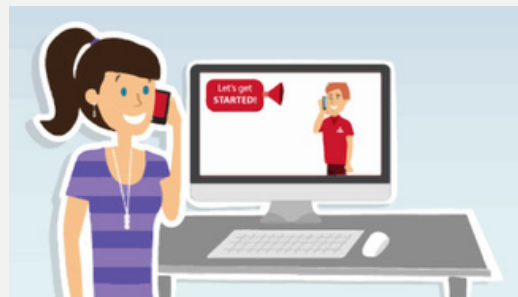

The Online Writing Lab at WKU was designed for graduate and undergraduate students. As an extension of the Writing Center, which is located at the Bowling Green Campus, WKU OWL serves distance learners by providing resources and feedback to help improve writing skills. In addition to providing a collection of resources, the Lab also offers one-on-one writing assistance without ever requiring you to come to campus!
