

Dear student,

We are aware that you still have an outstanding bill for the Spring 2021 semester. You are also potentially eligible for Federal HEERF-2 CRRSAA funds as a result of the COVID-19 relief measures administered by the Federal Government. If you do in fact qualify for these funds at the time WKU makes disbursement to eligible students, we are able to offer the option for you to have them applied to your Spring bill. Please reply to this email stating as such, or simply type YES in your reply within the next 48 hours. We will then make arrangements for any CRRSAA funds you may potentially be eligible for to be handled in this manner.

You do not need to reply to this email if you do not wish to have funds applied to your outstanding balance. Unless you request funds to be disbursed to your billing account, bills from past months and they will bypass your billing account.

Watch your email for further updates on these HEERF II CRRSAA Funds in the coming weeks.

Thanks,

Department of Student Financial Assistance
