

# WKU Online Student Services

## TOOLS FOR ONLINE LEARNERS

### STUDENT RESOURCE HIGHLIGHT:

#### DELO testing center

DELO Testing Centers provide proctored testing services to distance learning students. DELO Testing Center is proud to now offer certification, placement, and admission exams to WKU and the surrounding communities.

#### C.A.R.E.S.

As an adult learner, juggling college with work and other responsibilities can be challenging. What if you had someone you could call, email, ask questions ... someone that would work with you to connect you to resources and help you stay on track?

It turns out, YOU DO, as part of our Coaching for Academic Readiness Excellence & Success program, created specifically for distance learners.
