Aug 30, 2020

The WKU Alumni Association recently elected nine new board members for 2020-21 and recognized three members who will serve in one-year appointments.

Among new members who will serve for a three-year term is Joe Cross of Elizabethtown, a 2001, 2002 and 2019 alumnus and lifetime member of the WKU Alumni Association. He serves as Chief of Education and Curriculum for Army JROTC. He is a member of the President's Circle giving society and he was a non-traditional student at WKU.

"These new members of the Alumni Association National Board of Directors are joining us at an important time in the association's history," said Dr. Anthony McAdoo, executive director of the WKU Alumni Association. "Through their service on the board, they will help lead our organization through the current pandemic and help ensure that all members of our WKU family are supported and engaged. We appreciate each of these Hilltoppers committing to serve WKU through their board service."
