"During my time in the minor I watched the program evolve. Now, as a Graduate Assistant, I'm excited for the opportunity to assist in the continued growth of the ASLS program." -Zach "Sassy" Sizemore, Graduate Assistant

Signing Exposure

Recently, students from the ASL Organization volunteered at WKU Football Games to sign the National Anthem. These students include Austin Rutland, Lauren Tucker, Jesse Vincent, and Kelly Offutt. They are now passing on their knowledge to their peers in order to open the opportunity of signing at more athletic events. Thank you to everyone for their hard work and dedication to allow us this amazing opportunity.
