November 2016

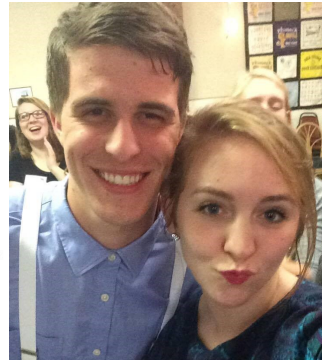

*"PAH was such a great time to build relationships with the Deaf outside of our comfort zones when using ASL. It was an opportunity for everyone to find their 'voice' in this group of people without actually speaking."*

# PAH 2016

The Preparing ASL Hearts Silent Weekend had a great turn out of around 100 people.

This weekend began with a performance by John Maucere followed by workshops and activities on Saturday geared towards immersion in ASL. On Sunday, we ended with a Deaf Panel where students asked questions about Deaf culture and their experiences within their personal lives. The weekend allowed people to come together and create new friends and reconnect with old ones. Thank you

to the staff, presenters and participants. See you next year!

On October 30th, members of the ASLO volunteered at the annual Monster Walk fundraiser at Kentucky School for the Deaf. These dedicated ASLO members set-up a Haunted House in hopes of spooking some of the students at KSD. We always enjoy our time at KSD and can't wait to visit again!
