Motion to Approve – 1st/2nd: Atkinson/Logsdon **Discussion:** Blankenship gave a brief description. Laves just wanted to note, that they are currently working on a 0 credit hour policy and it's going to Academic Quality next week. Schugart asked if the course goes with the CS-Data Analysis certificate as well, No, but it does go with the . Request to table the program because there is a stem base code that is part of this with the CIT coding. Ogden wants to have a meeting with GFCB to make sure there's no duplication. Atkinson – point of order, requesting the programs be postpone to the next meeting, asking that we postpone, they thought they had talked to others. Stone wanted to discuss the class and not the program. Henson said that the issue is the CIP code. Hammonds talked about the CIP code. *Friendly Amendment – Removing "Student will" from the 2 SLO's.* **Vote:** Approved (4 yes – 1 abstain)
