

WHAT IS SUPER SATURDAYS?

Super Saturdays encourages students in grades 1 – 6 who are of high ability or have high interest in a topic to pursue their passions. Through a minds-on, hands-on approach to learning, students explore and investigate such areas as math, art, science, history, writing, music, and performance under the thoughtful guidance of experienced teachers and in the company of enthusiastic, like-minded peers.

MORE INFORMATION

Dates: February 3, 10, and 17, 2024

Cost: \$100

All classes are on the campus of Western Kentucky University in Bowling Green, KY. Specific classroom locations will be shared the week before classes begin.

ABOUT THE CENTER FOR GIFTED STUDIES

We are committed to encouraging excellence by providing educational opportunities and resources to three populations: gifted and talented students, educators working with gifted students, and parents of gifted students. See more about our summer programming on our website.
