Design for the program**

- **Opera Outreach Program – based on an assigned operatic topic, cast members research and design their own curriculum to teach, and prepare the performance of supporting operatic scenes. The cast then takes the outreach program (costumes, sets, and education materials) to schools in the Bowling Green/ Warren Co. area to work with high school and middle school aged students. The Launch of the program in the spring of 2015, Mozart’s Operas, comprised of four Bowling Green school visits and two on campus events that educated over 250 students.**
