***The Student Right-To-Know
And
Campus Security Act***

In November 1990, the Student Right-to-Know and Campus Security Acts were signed into law.

The law requires each institution receiving Title IV Student Aid Assistance to prepare and distribute an annual report which sets forth its policies on crime prevention issues and gives statistics on the number of specific crimes (murder, rape, robbery, aggravated assault, burglary and motor vehicle theft), which have occurred on campus and the number of arrests on campus for liquor law violations, drug abuse violations and weapons possessions.

WKU Police maintain crime statistic and prepare the annual Campus Crime Report in compliance with the “Jenny Clery Act”. The Campus Crime and Fire Safety Report are published by October 1 each year. The report can be found on the WKU Police Web page at www.wku.edu/police under the Crime and Fire Date tab. The crimes are reported for each of WKU’s campuses (Main Campus, South Campus, Brown Ag Center, The Center, Radcliff and Owensboro). Campuses are further divided into “on Campus” in Residence Halls, Public areas, and other buildings. The WKU Police obtain and is sent statistical information from other departments within the university regarding crimes committed, but not reported to the WKU Police. The WKU Police also obtains statistical crime information from the Bowling Green, Glasgow, Owensboro, and Radcliff Police Departments regarding areas adjacent to campus, and campus organizations located off campus.

This report from Western Kentucky University covers the period from **January 1, 2012 thru December 31, 2012**. In addition to publishing crime statistics, this act requires colleges and universities to provide timely warnings to the campus community about certain crimes reported to campus security or local law enforcement which may be considered a threat to other students and employees. Western Kentucky University has also established emergency notification systems to alert campus to immediate dangers.

Western Kentucky University is committed to providing a safe, secure environment for its students, faculty, staff and visitors.

The WKU’s Police Department is currently authorized 26 professionally trained full-time police officers.

The Mission of the Western Kentucky University Police Department is to provide a safe and secure atmosphere that is conducive to learning and teaching. Furthermore, the University Police Department is committed to providing a “Community Policing” philosophy in its approach to law enforcement, which is a partnership between faculty, staff, students, visitors and police officers that is predominately service and educationally oriented.

For purposes of this report, the campus is defined as “any building or property owned or controlled by the institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or related to its educational purposes; or any building or property owned or controlled by student organizations recognized by the institution.”

This Report Includes:

A statement of current campus policies regarding procedures for students and others to report criminal actions or other emergencies occurring on campus and policies concerning the institution's response to such reports.

Campus Security Authority:

It should be noted that for reporting purposes "campus security authorities: includes (1) any individual or entity specified in an institution's statement of campus security policy as the individual or entity to whom students and others should report criminal offenses, as well as (2) administration officials having primary responsibility for student and campus activities, such as student counselors, deans, campus residence hall directors, the athletic directors, coaches and trainers, and the police department.

The mission of the WKU Police is to support the educational objectives of Western Kentucky University by preserving the peace, protecting life and property, and enforcing in a fair and impartial manner the regulations of the university, ordinances of the City of Bowling Green and statutes of the Commonwealth of Kentucky. The goals of the department are the prevention of crime and disorder and the preservation of life, property and individual freedom. The department strives to achieve these goals through conspicuous and covert patrol, apprehension of criminals, and education of the public and constant training of Police personnel.

Relation with Other Agencies:

The WKU Police has a strong professional working relationship with the Bowling Green Police Department, Warren County Sheriff Department, the Kentucky State Police, and the Warren County Drug Task Force. WKU police also works closely with and utilizes the services of federal police agencies including the FBI and ATF. The Bowling Green, Glasgow, Owensboro and Radcliff Police Departments provides crime statistics for areas adjacent to campus for Clery and Minger reporting purposes.

How to Report a Crime:

Crimes or criminal activity should be reported immediately to the WKU Police. WKU Police utilize a number of methods of reporting criminal activity. Dialing 9-1-1 from a university phone will connect you to the WKU Police Communications Office. Calls made from cell phones or off campus phones by dialing 9-1-1 will connect you to the Bowling Green Police Emergency 9-1-1 Center. The 9-1-1 Center will connect you to WKU Police Emergency Communications. Non-

emergency request for service can be made by calling 745-2548. A TDD line has been established for the hearing impaired by dialing 745-2540. Currently there are a total of 92 emergency call boxes located throughout the main campus and South Campus to report emergencies. By pushing the call button on the emergency call box you are connected by phone to the WKU Police Communications Office. Also a flashing blue strobe light is activated. This draws attention to the area which can deter or stop criminal acts. In addition, close circuit television cameras in the vicinity of the emergency call box will also be redirected to the call box.

This will allow police communications officers to see the area and gain valuable information about the reason for the activation. WKU Police encourage the reporting of criminal or suspected criminal activity on campus. Safety is a shared responsibility between the police department and the community it serves. Anonymous tips about criminal activity can also be made to the Special Operations & Investigations by phoning there Anonymous Tip Line at 270-745-8773 or by emailing brandon.humphries@wku.edu. The WKU Police also participates in the Bowling Green/Warren County Local Crime Stoppers program. Anonymous tips may also be made through that program by calling 781-CLUE (781-2583). WKU Police Department is a 24 hour a day, 7 day a week full service police department. Our mission is to provide a safe and secure atmosphere that is conducive to learning and teaching.

Timely Warnings:

WKU Police will post “**Timely Warnings**” about events that pose a threat or a continued threat to the campus community. If a crime or a situation occurs on campus, or off campus that poses a threat to the Safety of students, faculty or staff, a timely warning will be issued by WKU Police. The Chief of Police or his designee may issue a “Timely Warning”. Several methods of delivery may be utilized by WKU Police to inform the campus community of a threat. These methods may include text messaging, mass email notifications, local newspapers, television and radio stations. Threats to people on campus are also posted on the WKU Police website under Crime Alerts: www.wku.edu/police/CampusCrimeAlert.htm. You can view a list of crimes that have been reported by going to www.wku.edu/police and click on the crime alert button. There you will see the Campus Crime Log, Fire Log, Annual Crime Report, Cleary Act and Minger Act statistics.

Emergency Notifications and Evacuations:

WKU has created the “The WKU Alert” as a communication tool for mass notifications of imminent threats or emergency situations to campus. The WKU Alert uses a matrix system to identify the type of emergency or threat and the format of message to be sent. Messages may be sent by text message, mass emails, and outdoor alerts systems or other methods.

Usage guidelines:

Activation of the WKU Alert should only involve incidents that may cause death, serious injury, or the threat of death or serious injury to people or significant damage to facilities or property. Threats that may prompt an emergency alert are: active shooters, or violent crimes, bomb threats or explosion, civil disturbances, hostage incidents, fire, earthquakes, severe weather, tornados, floods, winter weather, hazardous material spills, natural gas leaks, or utility failures. Alerts will be issued as soon as possible after the threat has been verified following the adopted matrix plan.

This verification can be made by various means. Examples of how a report is verified may be a weather statement from the National Weather Service, Emergency Management notifications, or on site verification by staff authorized to make a WKU Alert. An alert may not be issued if authorities deem making the notification could compromise the safety of the community, efforts to assist victims or to contain, respond to or otherwise mitigate the emergency.

Authorized Staff:

The President, Provost, Vice President of Student Affairs, Vice President for Public Affairs or designees will direct messages. In addition the WKUPD staff may authorize and send messages during time critical incidents as defined in the protocol matrix.

Types of notification of WKU Alert

Based on the type of threat or danger, notification may include any of the following or a combination of the following: a SMS text messaging to cell phones. Students, faculty and staff may register for this service on TOPNET. A voice command outdoor emergency alert system on Main Campus and South Campus is also available. This system can give voice instructions to people who are outdoors about immediate dangers or threats. Emergency notifications can also take the form of a video message boards, mass emails, WKU web site, media press releases and news conferences.

WKU will regularly update the university web site to keep Students, Faculty, staff and the community informed on the status of the situation. Timely warnings may also be issued for a situation resulted in an emergency alerts if it is felt the situation may continue to pose a threat to the campus community.

Test of the System:

Test of the alert systems are conducted annually in conjunction with the state earthquake, and tornado preparedness drills. These tests are announced through media releases and by email to the campus community. The tests are conducted in February and March each year. As part of the announcement faculty, staff and students are requested to review the evacuation plan for their buildings.

Missing Student Policy:

If a member of the University community has reason to believe that a student is missing he or she should contact the WKU Police immediately at 270-745-2548. The WKU Police will dispatch officers to investigate the report. If the investigation determines that the student is missing from WKU Police jurisdiction, the officer will create a missing person report.

After investigating the missing person report, should the WKU Police determine that the student is missing and (1) the student is under 21 years of age WKU Police will enter the student into the NCIC Missing Person File. (2) The WKU Police will notify the Bowling Green Police Department and other area law enforcement agencies of the missing person. (3) WKU Police will contact the student's emergency contact person. This will take place no later than 24 hours after the student is determined to be missing.

In addition to registering an emergency contact, students residing in on-campus housing have the option to identify confidentially an individual to be contacted by WKU in the event the student is determined to be missing.

Crime Prevention Programs:

Safety and Crime Prevention is a shared responsibility between the WKU Police and the campus community. The WKU Police Crime Prevention section uses handouts, programs, and personal contacts to inform students, faculty and staff on measures that can be taken to reduce the likelihood of becoming a crime victim. WKU Police also provides safety tips on our web site at www.wku.edu/police. Crime Prevention programs are presented in residence halls during the academic year and an advertised Crime Prevention Week are conducted each fall. Topics covered in the Crime Prevention program include Operation ID, date rape awareness, theft prevention, escort services, drugs and narcotics, general safety and security, and alcohol awareness. Films, guest speakers and handouts are used to illustrate procedures and to assist in the educational process. ANNUAL FIRE REPORT

Office of the University Fire Marshal

Fire Report / Log 2012

Mission Statement:

The Department of Environmental, Health and Safety provides professional guidance and leadership to the University in achieving regulatory compliance, and promotes a culture of safety and environmental stewardship.

The department of EHS is responsible for the annual, semi- annual and monthly inspections of all of the fire protection equipment (fire alarms, range hood suppression systems, and fire extinguishers.) We conduct quarterly fire drills in residential halls. Sprinkler system inspections are done by a state provided contractor. All inspection reports are maintained in the University Fire marshal's office.

Residential Hall

- *Are equipped with an automatic fire alarm system and are fully sprinkled buildings.
- * Each residential room is equipped with a standalone smoke alarm that is inspected for operation monthly by the RA's during safety checks.
- *Each kitchen is equipped with an automatic range hood suppression system.
- * All residential halls are equipped with ABC type fire extinguishers.
- * All fire alarm systems are monitored by the WKU Police Dispatcher with our priority monitoring systems.
- * Fire Drills are conducted four times a year (quarterly) in each residential hall.
- * Open flame policies are No candles, incense, and Bunsen burners in Residential halls.

- * The evacuation policy is that all occupants evacuate the building when the fire alarm is activated and report to their designated assembly area. If one cannot evacuate because fire or smoke has blocked both or all exits occupants are to go back to their room and signal for help by either hanging something out the window or calling 911 WKU campus police with a cell phone and identifying their location.
- * Fire and life safety training is done once a semester to all Hall Directors and RA's.
- * Trainers list: Kit Tolbert, Pam West HRL, Bob Austin University Fire Marshal.
- * All fires are to be reported to the WKU Campus Police and University Fire Marshal through the Residential Hall Directors or RA's.
- * Fire Safety improvements are done as codes change or additional fire / life safety are deemed necessary.
- * WKU Mass notification system is located in three separate locations on campus, on the top of Downing University Center, Keen Hall and Cherry Hall and can notify the entire campus and the surrounding area.

* The outdoor notification system and our COW systems are tested on annual basics.

Residential Housing Fire Log

29 total fire alarms

9 Smoke related cooking fire alarms no open flames. 2012

The Student Life Handbook contains a section entitled “Emergency Procedures” that includes Fire Emergency instructions.

In Case of a Fire:

- Sound the fire alarm
- Call the Fire Department (911)
- Call the hall desk or staff member on duty in hall
- Remain calm and act quickly
- Wear protective clothing such as a coat and shoes, and carry a damp towel for use in heavy smoke.
- Close the room door and windows
- Walk in an orderly manner to the nearest exit: NEVER USE AN ELEVATOR.
- Move a safe distance away from the building and out of the way of the fire department personnel.
- Remain outside until told by the hall staff to return.

If you think there is a fire in the hallway, you should feel the door before opening it.

- If the door does not feel hot, open it slightly, holding your head away and bracing the door with your foot.
- Put your hand across the opening to test the heat of the air.
- If the door is hot and the hallway unsafe, stop up any opening or cracks through which smoke may enter, using wet towels, sheets, blankets, etc.
- If smoke does enter room, open the window for ventilation; break it if it is sealed.
- Do not jump; make your presence known by hanging a sheet or a piece of clothing from your window and wait for rescue.

In case of a minor fire:

- Pull the fire alarm.
- Use a wastebasket full of water, a fire extinguisher, or a blanket to smother out the fire.
- Do not use water on an electrical or grease fire!
- Call the staff member on duty in your hall.
- Never risk your personal safety!

The “Emergency Procedures Guide” which has been widely distributed to faculty and staff and which is also available on the WKU webpage at wku.edu/ehs/fire_safety contains a fire section which outlines the following procedures to be followed:

1. Smoke, fire or an explosion in a building shall warrant activation of the nearest fire alarm pull station which is located near an outside exit.
2. Call WKU Police at 911 (on campus phones ONLY). If there is no answer, or if the line is busy, call 270 - 745-2548 if calling from a cell phone. Immediately evacuate the building using established evacuation routes. DO NOT USE ELEVATORS.
3. If possible, provide assistance to mobility-impaired individuals. If this is not possible, or if anyone is injured, call WKU Police at 911. Provide the location to arriving emergency services (fire, police, etc.) of physically impaired individuals.
4. Do not attempt to extinguish fire.

5. Once outside the building, account for all building occupants at the designated meeting area.
6. Do not re-enter the building or leave the campus unless told to do so by the building hall director of HRL staff, or WKU Police.
7. Report damage to Facilities Management at 270 745- 3253.
8. Give any known details of the alarm or fire to arriving emergency personnel.

Each building on campus has a designated Building Coordinator or Hall Director. The Building Coordinator Program incorporates a yearly review with building occupants of evacuation procedures. This program is administered by the Environmental, Health and Safety Department.

Reports of fires on campus should be immediately made to the Western Kentucky University Police Department. The WKU Police Department can be reached by dialing 911 or 745-2548 any on-campus phone. If using an off campus (or cell) phone, the WKU Police Department can be reached by dialing 270-745-2548

While WKU continually evaluates fire safety and preparedness, no other future improvements in fire safety have been identified by the institution. If or when a need for improvement is identified, WKU will place a priority on making the necessary changes.

Evacuation plans:

Each on-campus student housing facility have been developed by the Environmental, Health and Safety and Housing and Residential life Departments and have been placed inside each door on-campus student rooms and on each floor. These plans show the evacuation route as well as providing basic instructions for evacuation in case of a fire.

Small heating units with enclosed coils such as a coffee pot or hot pot are legal. Enclosed popcorn poppers are legal provided they are used for popping corn only. Open flame burning of any kind is prohibited. Smoking is prohibited in all student housing facilities. Violation of any of these rules could result in disciplinary action and/or termination of the room and board contract.
