RE: Spring Semester FHC report

The Faculty Handbook Committee has met three times (twice virtually) with all voting members participating.

The committee voted unanimously recommending adoption of 1) proposed Instructor Ranks, 2) proposed changes in Provost/President recommendation timelines and, 3) flow of documentation regarding the continuance deliberations.

The committee remains divided over the substantive changes endorsed by the Faculty Welfare and Professional Responsibility Committee regarding the final approval of the Faculty Handbook. We have chosen to move this out of our committee.

Please pass these proposals onto the Senate Executive Committee.
