Application Process:

- All applications must be submitted in The Gatton Academy office to Ms. Melanie Redden (FSH 107) by September 20th at 3:30pm Central.
- Please submit a copy of the student's passport ID page via email to gatton.academics@wku.edu (if they already have a passport).
- No payments are due or accepted at the time of application
- Spots are limited to 32 students. Typically, half of the spots are saved for each class, 2025 and 2026. Shortly after the application deadline, applicants will be divided into four categories: North side Seniors, North side Juniors, South side Seniors, and South side Juniors. Those who have not traveled abroad with The Gatton Academy previously are given first priority for selection using a random lottery. Once students have been selected from each category, random drawing continues until all students have been drawn to form an ordered waitlist for any program spot that might become available later. All students will be notified of their selection by September 27th.
- After students are notified of acceptance, students and parents will need to complete additional forms for the WKU Study Abroad and Global Learning office.
