WKU American Sign Language Studies
College of Health and Human Services
October 2017

A Whole New Look

The school semester is back in session, and we have a new look! We love our newsletter, but it was time for something new and different. We will be posting and sharing the newsletter in as a quarterly newsletter. If you have any pictures from Deaf Culture Events, ASLO activities or other ASL related events, please send them to ASLS@wku.edu. We hope you all enjoy!

Welcome, Welcome, Welcome

A new newsletter, and also a new teacher! We are so happy to welcome Holly Bryant as a new full time teacher in the ASL Studies Program!

Holly took her first ASL class in the fall of 2010. Starting in the fall

of 2011 to the spring of 2012, Holly was the ASLO membership chair and she also worked in the ASL Lab. From fall 2012 until Spring of 2014, Holly was the ASLO President and the ASLS Lab Manager. From the fall of 2014 until spring 2015, Holly was a Graduate Assistant for ASLS Program and the ASLO President. In 2013, with the assistance of Dr. Ashley Fox and others, she created what is now known as the PAH Immersion Weekend (see page 3) and she has continued to be the PAH co-director since then. After graduation from her masters program, she was a part time teacher from 2015 until 2016. We are so thankful to have Holly as a part of our team!

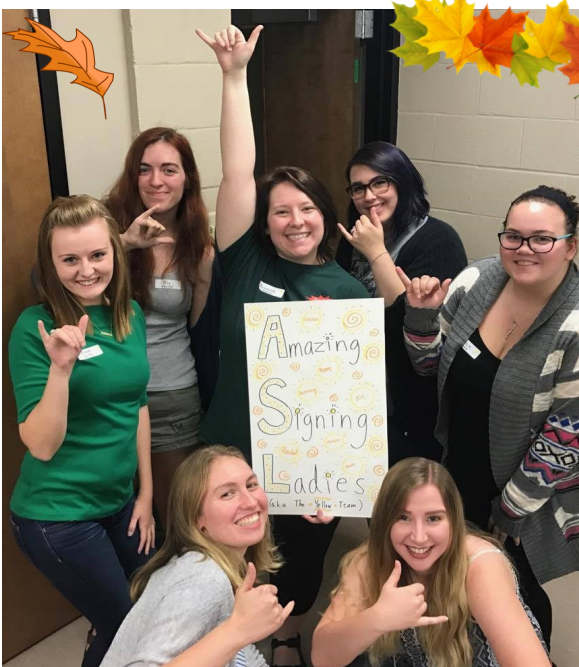

American Sign Language Organization

ASLO is back for the school year! We have had a great time meeting our new members and visiting with our old ones! Our first meeting had an amazing turnout! The ASLO membership retreat was a blast! We played games, ate pizza, and competed to win bragging rights for the ASLO cup! Congratulations to the Amazing Signing Ladies (a.k.a. Yellow Team)! 

Check out our social media for more information on events and updates.

The Bingo Night DCE was amazing and competitive! Congrats to all of our winners! The South Lawn DCE was a blast! We had so many people show up! Thank you to all of our amazing ASL leaders for all of their hard work!
