After completion of six hours, a student admitted with an expired certificate must submit a copy of the re-issued certificate before being allowed to register for any additional courses.

Program Requirements

The program is divided into two instructional components: (a) **Professional Education**, which provides advanced level pedagogy, leadership, and content related to Kentucky Teacher Standards and applicable to all P-12 teachers working in a wide gamut of developmental levels and content areas; and (b) **Specialization**, which directs the student into an individual program in content, pedagogy, and/or areas of professional growth consistent with the goals of each candidate.
