Program Description

The Department of Music at Western Kentucky University is a fully accredited member of the National Association of Schools of Music (NASM). It emphasizes music education in the broadest sense: all people must have opportunities to increase their awareness of musical sound as aesthetic experience and to indulge selectively in that experience for richer more meaningful lives. The music curriculum promotes intellectual vitality through aesthetic awareness, informed choice, continuous assessment and preparation for life-long learning, while allowing for diversity among students' backgrounds.

1. COURSES: Below are all required courses for this program. Course descriptions are those found in the appropriate WKU catalog (see links above).

- Core Education Courses**

EDU 250: INTRODUCTION TO TEACHER EDUCATION (3 HOURS)

The introductory course to a career in education. The student will acquire basic knowledge of teacher ethics, career awareness, student diversity, and curriculum. Field experiences are required. Students are responsible for arranging their own transportation to designated or assigned sites.

EDU 489: STUDENT TEACHING SEMINAR (3 HOURS)

Analyzes the connection between teaching theory and actual practice. Portfolio refinement with the Teacher Performance Standards will be emphasized. Field experiences in public schools and/or other appropriate settings away from campus are required. Pre-Service Teachers are responsible for their own transportation to designated or assigned sites.

SEC 490: STUDENT TEACHING (5-10 HOURS)

SPED 330: INTRODUCTION TO EXCEPTIONAL EDUCATION: (3 HOURS)

Characteristics of exceptionality, special education programs, schools, and community resources and research relative to exceptionality. Field experiences in public schools and/or other appropriate settings away from campus are required in this course. Students are responsible for arranging their own transportation to designated or assigned sites.

PSY 310: EDUCATIONAL PSYCHOLOGY: DEVELOPMENT AND LEARNING (3 HOURS)

A required educational psychology course for students seeking teacher certification. Educational psychology is designed to give the student a thorough understanding of the theories and principles of psychology as applied to teaching and learning. The students will demonstrate knowledge, understanding, and application of theories and principles of development, learning, memory, motivation, individual differences, instruction, classroom management, and measurement and evaluation. PSY 310 may not be counted toward the psychology major or minor.

LTCY 421- A course in reading designed to offer a detailed view of the principles, materials and methods of instruction for middle and secondary grade students..
