Upcoming Events

Busy, busy, busy is the buzz word used for the month of October at the Kelly Autism Program. The middle school will enjoy bowling, billards, and air hockey at the Downing University Center on Western's campus. The high school participants are planning to attend the Franklin, Kentucky Drive-in to enjoy a movie. All participants will have a blast at the KAP halloween party.

Invitations will be sent to inform the participants of the dates and times for these exciting social events.

Teen Council Meeting Report

During the teen council meeting, the members decided to elect the same officers as they had the previous year. These officers include Nathan Baker as president, Clay Hall as vice president, Victoria Kelly as the social chair, and James Phillips as the newsletter editor. At this meeting they also decided to participate in the Christmas card

project starting in November. The teen council will be in charge of designing, printing, and distributing the cards. The members also discussed having a birthday party for Victoria Kelly, which was held on September 10th during the high school social.
