

# From the Director's Desk

A new semester is beginning, along with new hopes and plans. The reason KAP looks forward to the Spring semester is because we have 'graduated' one of our staff members, Mrs. Melissa Skaggs, and welcomed two new staff members. The new staff members are Ms. Jennifer Glanzer and Ms. Courtney Burge. Both bring enthusiasm, solid academic credentials, and leadership skills to the KAP staff. In our initial planning for the Spring semester, we set ambitious goals. As the spring semester progresses, we will begin planning for the busiest time of all: the summer program with its transition program and a very active

social/leisure/recreational program. See what happens when we begin expanding our program opportunities: 'giant-big words.' On behalf of the parents, teens and young adults, we welcome the new staff members and look forward to a productive time before graduation.

Welcome

## Kap's New Staff

The Kelly Autism Program is pleased to welcome two new staff members to our facility, Courtney Burge and Jennifer Glanzer.

Courtney is a senior at Western Kentucky University from Midway, KY. She is majoring in communication disorders with a minor in Spanish.

Jennifer is a senior at Western majoring in communication disorders. She is from Campbellsville, KY.

Both staff members are excited to meet and work with all of the KAP participants.
